| AlphaMar Group, Inc.            | Y                                      | N                                                 | $178,240.00| 1. Bidder is a small business and is performing 100% of the work.  
2. Bidder did not demonstrate the 5 year experience requirement.  
3. Contractor responded with the lowest price and was the only responsive bidder. |
| Blanchard Contractors, Inc.     | N                                      | N                                                 | Non-Responsive | Non-Responsive                                                            |

In determining whether a bidder qualifies as “responsible” (i.e., eligible for award), a number of factors, including but not limited to the following, may be considered.

A responsible Bidder should:
1. Have the ability to comply with the required delivery or performance schedule, taking into consideration other business commitments;
2. Have a satisfactory record of performance;
3. Have a satisfactory record of integrity; and
4. Have the necessary facilities, organization, experience, authorizations, technical skills, and financial resources to fulfill the terms of the contract for the Project.
