In determining whether a bidder qualifies as “responsible” (i.e., eligible for award), a number of factors, including but not limited to the following, may be considered.  
A responsible Bidder should:
1. Have the ability to comply with the required delivery or performance schedule, taking into consideration other business commitments;  
2. Have a satisfactory record of performance;  
3. Have a satisfactory record of integrity; and  
4. Have the necessary facilities, organization, experience, authorizations, technical skills, and financial resources to fulfill the terms of the contract for the Project.
